Higgins Partnerships are the appointed developer working on behalf of Lambeth Council. Higgins will use your personal information provided in this survey only for the purposes of contacting you with our regular newsletters and bulletins for the development and to invite you to events and community activities which we will host. Your data will be stored confidentially and used only for the purposes outlined above.

We may also use data provided in this survey as part of our reporting on key performance indicators (KPIs) to our clients when contractually obliged to do so. As part of this KPI reporting procedure, Higgins Partnerships may share your personal information with our public sector client. Where possible, we will anonymise or pseudonymise your personal information before transferring it to our client. We are able to lawfully process your data for the purposes of KPI reporting because it is a legitimate interest of Higgins Partnerships to satisfy the contractual obligations that it has under its agreement in place with Lambeth Council.
